Unit Grand-Flo Peroleh Hak Penedaran Apple iPad

KUALA LUMPUR, 4 Julai (Bernama) -- Grand-Flo Solution Bhd mengumumkan pada Isnin bahawa unitnya, E-Tech IT Sdn Bhd (E-Tech), telah dilantik sebagai Penjual Semula Tokokan Nilai oleh Apple untuk mengedarkan Apple iPad di Malaysia.

"Pelantikan E-tech sebagai penjual semula tokokan nilai bagi Apple iPad selain produk Apple lain, membuktikan keyakinan syarikat itu terhadap E-Tech.

"Ia juga mencerminkan keupayaan syarikat untuk memberikan capaian besar bagi Apple kepada sektor korporat Malaysia," kata Pengarah Urusan Kumpulan dan Presiden Kumpulan Grand-Flo Solution Bhd, Derrick Tan, dalam satu kenyataan pada Isnin.

Beliau juga berkata pelantikan itu akan membolehkan Grand-Flo Solution memenuhi jangkaan permintaan daripada komuniti perusahaan bagi PC tablet untuk meningkatkan produktiviti.

Di bawah perjanjian itu, E-Tech diberikan kuasa untuk mengedar Apple iPad kepada pelanggan perusahaan di Malaysia, termasuk sektor pendidikan.

Ketika ini, E-Tech merupakan penjual semula tokokan nilai bagi Apple iMac dan Macbook kepada segmen yang sama.

Grand-Flo ialah penyedia penyelesaian penjejakan utama di Malaysia, Thailand, Vietnam, Hong Kong dan China, dan memiliki penyelesaian penjejakan terdiri daripada perisian hinggalah kepada label kod bar.

Grand-Flo unit to distribute iPad

Grand-Flo Solution Bhd announced today that its unit, E-Tech IT Sdn Bhd (E-Tech), has been appointed a Value Added Reseller by Apple to distribute the Apple iPad in Malaysia.

"The appointment of E-tech as a value added reseller for the Apple ipad in addition to other apple products, indicates the company's confidence in E-Tech.

"It is also a reflection of its ability thus far, to grant Apple ample reach into the corporate sectors of Malaysia," said group managing director and group president of Grand-Flo Solution Bhd, Derrick Tan in a statement today.

He also said the appointment would enable Grand-Flo Solution to meet the anticipated demand from the enterprise community for tablet PCs to increase productivity alongside constant connectivity and an increasingly-mobile environment.

Under the agreement, E-Tech is authorised to distribute the Apple iPad to the enterprise customers in Malaysia, including the education sector.

Currently, E-Tech is the value added reseller for the Apple iMac and Macbook to the same segment.

Grand-Flo is one of the leading tracking solutions providers in Malaysia, Thailand, Vietnam, Hong Kong and China, and has a broad product offering of tracking solutions ranging from software to barcode labels. -- Bernama
